

I just wanted you to know how much K-LOVE blesses me. I absolutely love the radio station and the songs that they play. They have fun, upbeat Christian music which I love to listen to; in fact it is about all I listen to. It is a "safe" station, in that there are never any bad or inappropriate things on the air and they provide positive music and wonderful encouragement throughout the day. It truly helps to usher me into the presence of the Lord. It is written in 1 Peter 1:15, "Be holy, because I (Jesus Christ) am Holy." In Philippians 4:8, the Bible tells us that "Whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable-if anything is excellent or praiseworthy-think about such things." It seems to be a general principle that whatever you think about you do, therefore I choose to fill my mind with good things such as the music heard on K-LOVE. K-LOVE is one place I can turn to to listen to uplifting things. If this station was displaced by an LPFM broadcaster, I would most certainly not be able to listen to K-Love because I live 45 minutes away from the broadcasting station already. This would be a shame because I drive to school, which is almost an hour commute, up to four times per week. I believe that K-LOVE is a wonderful benefit to me and my community. Most of the people in my church body listen to K-LOVE as does my mother. In a world where suggestive lyrics, cussing, and other things are the norm, K-LOVE is a wonderful source of hope and truth. I hope that you will reconsider and keep K-LOVE on a regular FM transmitter. Have a beautiful, wonderful day!
